Registration Form ~ 2009-2010 School Year

Inclusion Statement: A Great Start Preschool will enroll children of any race, color, religion, sex, or national origin. Children with special needs will be enrolled based on their ability to be mainstreamed into the program. All levels of our facility at Hope Church are wheelchair accessible.

Purpose/Goals: "At A Great Start Preschool, it is our primary goal and purpose to provide a Preschool environment in which teachers and students experience an enthusiasm for learning and accomplish successes. We promise to provide the children with ample opportunities to grow socially, physically, emotionally, intellectually, and creatively in our child centered environment."

License: A Great Start Preschool is licensed by the Ohio Department of Job and Family Services. In addition to following the rules set forth and regulated by the State, A Great Start Preschool will strive to go above and beyond minimum licensing standards to provide the best quality care for your child. With this in mind, our programs have been developed following guidelines of the National Association for the Education of Young Children, or NAEYC.

History: With the faith and trust of dedicated staff members and enthusiastic families, as well as the support of Hope Church, Christina Miller was able to pursue a dream of starting a quality Preschool program. A Great Start Preschool was founded by Christina Miller in July 2004. A Great Start Preschool is a non-profit corporation, and a 501(c)(3) organization. All donations to the preschool are tax deductible.

Curriculum: A Great Start Preschool offers an academic and intellectual based, anti bias, hands-on curriculum that incorporates language arts, math, science, creative art, cooking, and social studies throughout weekly lesson plans. Children will enjoy a circle time (which includes the Pledge of Allegiance), small group projects, large motor activities, music, snack (which may include a Prayer or Blessing), and free choice time throughout their daily routine.

Snack: We have a parent-participation snack policy which involves children bringing snack/drink for their class one time per month.

Ratios: The student to teacher ratio will not exceed 1:7 in the Little Learners Classes, 1:10 in the Smart Start Program, and 1:12 in the Preschool Plus and KinderStart Programs. In addition, we have one floating Teacher's Aide during each session. The Founder/Director is also on premises during scheduled hours.

Facilities: The Preschool occupies the north wing of Hope United Methodist Church. The entrance is located on the north side of the Church, facing I-675. In addition to the five classrooms and Preschool Office, the Preschool has use of the Hudson Hall for large motor activities during days of inclement weather, as well as the large fenced-in playground. We may also use the "Kids Church" room for music activities.

Staff: The staff includes the Founder/Director who holds a degree in Early Childhood Education, an undergraduate degree in Human Services Administration, and a Master's of Education degree in Educational Leadership. Many teachers have education or related degrees, and all are required to have experience and training in Early Childhood Education. All staff, including the Director, Teachers, and Teacher's Aides, will be trained in First Aid, Communicable Disease Recognition, and Child Abuse and Neglect Recognition and Prevention. All teachers and the Director are certified in CPR.

Families: Families play an important role at our school. They are welcome to visit, participate as a volunteer, suggest ideas, and contribute their talents to our program. Please make your arrival known at the Preschool office before visiting your child's classroom. We invite you to communicate with the staff on a daily basis regarding your child's preschool education and general well-being. If there is ever a grievance matter involving any of our families, staff, or programs, those involved are encouraged to speak to the Preschool Founder/Director immediately.

Medical Statement: Each child is required by Ohio Law to have an annual physical examination. The Preschool will provide forms for this examination and record of immunizations, which are to be completed, dated, and signed by the child's physician. This form must be on file on the child's first day of school and must be updated annually. Other paperwork is also required to be completed and on file on the child's first day of school.

School Calendar: The Preschool will begin the Tuesday after Labor Day and will end the Friday before Memorial Day. Our Preschool operates using the calendar of Centerville City Schools as a guideline for holidays and vacations. Refer to our handbook for our inclement weather policy.

Office Hours: Normal office hours are Monday through Friday, 8:30am until 2:30pm. Summer office hours may vary.

**Additional policies, guidelines, and procedures can be found in a copy of the Parent Handbook. Handbooks are available in the Preschool office. Copies of the Ohio Department of Job and Family Services Child Care Licensing Rules and NAEYC guidelines are also available upon request.
