

## **A Great Start Preschool Supply Lists 2009-2010 School Year:**

*Please bring all items during your child's first week of school. Please do not label school supplies, unless specified. They will be shared throughout the school.*

\*\*\*Walmart often has the best prices on school supplies. Many of the supplies, with the exception of backpacks, extra clothes, and diapers/pull-ups, will be shared throughout the school. Please only label personal items (diapers, pull-ups, backpacks, extra clothes) with your child's name. Throughout the year, these items may need to be replenished. Thank you in advance for your generous donations! A complete "wish list" of items needed throughout the year is included at the end of the program supply lists.
