** A Great Start Preschool follows the Centerville City Schools calendar as a *guideline* for holidays, vacations, and school closings due to weather/road conditions. In case of inclement weather, watch WHIO Channel 7, or call the preschool office at 312-1621 on days of inclement weather for our decision. We will also update our Facebook Page and send an email update when possible. The Preschool Director has final say for any school closings.

** There are no discounts granted for absences, vacations, holidays and breaks, or school closings due to inclement weather or other unforeseen circumstances. Tuition rates have been set with the consideration of these closings as well as closings or alternate schedules for conferences and special events.

** Dates are tentative and may change. Any changes will be noted in the monthly newsletter.
