

A Great Start Preschool Supply Lists 2023-2024 School Year:

Please bring all items to the Meet and Greet or First Day Family Orientation.

Please do not label school supplies, unless specified.

*** Many of the supplies, with the exception of back packs, extra clothes, and diapers/pull-ups, will be shared throughout the school. Please only label personal items (diapers, pull-ups, backpacks, extra clothes) with your child's name. Throughout the year, these items may need to be replenished.

Thank you in advance for your generous donations! A complete "wish list" of items needed throughout the year for all classes is included below the Private Kindergarten Supply List.

By request, we have streamlined the Supply Lists again this year to make the lists easier to navigate and to simplify your shopping trip. Please refer to the list for "ALL STUDENTS" as well as the list specific to your child's program.

We will continue to offer a \$25 "Supply List Buy-Out" option for consumable school supplies (Kindergarten Workbook Fee and Diapers/Pull Ups-as needed for your child, Backpack, and Extra Clothing will still need to be provided by the family). This saves you some time and effort in shopping for all of the items.

The cost to "buy-out" your child's supply list is \$25 per child.

*(*Please note, there is a \$25 Kindergarten Workbook Fee in addition to the Supply List.)*

To opt-out of Supplies, please include exact cash or check payable to A Great Start Preschool and return this form with fee during the first week of school. You could also pay via venmo @agreatstartpreschool or paypal aGreatStart@aol.com.

Each child will need to bring a backpack (***at least 9x12 size***) to/from school each day. Backpacks serve as a "mailbox" to transport items to and from the school, such as notes from the teacher, newsletters, and artwork. Our Teacher's Aides or Floaters will check the MAIN COMPARTMENT of the backpack for paperwork coming in or out each day (or you may use the drop box outside of the office or basket in the office to drop off payments and paperwork to the office)

Students who are not potty-trained will also need to provide a supply of 6 diapers/pull-ups (if using pull-ups, Velcro sides are preferred for easy/quick changing) to keep at school, and a complete set of extra change of clothes in a gallon sized zip-lock bag, labeled with your child's first and last name. *(The Preschool will have a supply of extra clothing on hand for potty-trained students who have accidents or spills at school.)*

Child's Name _____

Supply Buy-Out Fee \$25

*If you are unable to find an item listed for your child's class,
please replace with another item from a different list.*
